

ASFVLT
Fall - Winter 2022

CREATED IN 2013, ASFVLT PRONOUNCED ASPHALT IS A FRENCH LABEL BASED IN PARIS. IT WAS BORN AFTER THE MEETING OF TWO AFICIONADOS OF FASHION, STYLE AND SNEAKERS. BASED ON THEIR SUPERIOR KNOWLEDGE OF THE BRANDS AND MARKET, ESPECIALLY IN STREETWEAR, THE DNA OF ASFVLT WAS NATURALLY FOUND: STREET AND TECH INSPIRED, LUXURY CODES, BUT FASHION ABOVE ALL, SHAPED FOR EVERYDAY USE.

COMFORTABLE AND LIGHTWEIGHT: WE USE HIGH-END MATERIAL SUCH AS PHYLON TO CREATE AN EXTRA LIGHTWEIGHT AND COMFORTABLE OUTSOLE. QUALITY MATERIAL AND CONSTRUCTION: ALL OUR SNEAKERS ARE HANDMADE AND OFFER A LARGE RANGE OF MATERIALS, FINISHES, AND DETAILS.

FASHION IS COMPLICATED, AND SO IS OUR NAME. PRONOUNCED "ASPHALT", IT REFERS TO THE ROOTS OF THE BRANDS AND BECOMES A PHONETICAL EVIDENCE.

WE INVITE YOU TO BUILD YOUR FUTURE

GATE

The Gate is the marathon shoes, commonly known as «German Trainers, adopted by German military in the 1980s. The suede toe cap protection is established as Design now. Wrinkled Vintage nylon makes this product authentic with excellent durability and super soft sneakers. Premium suede, zigzag stitching, tongue with soft foam, makes them original, elegant, very modern, relaxed and super comfy.

CONCRETE

The attention seeking paneling and disrupting overlays add visual pop and a nod to our street shredding heydays. The result is a special sneaker staying true to Asfvlt sneakers roots. The concrete offers you a choice between a rip-stop material for durability or a 3D air mesh for breathability. It also features suede and leather overlay and toe cap reinforced by a double stitching, suede embossed tongue logo with zigzag stitching, and a neoprene heel tab as ASFVLT signature, set atop clean lightweight phylon runner cushy midsole with road inspired flat.
