KOMONO

SS21 The Metamorphosis Collection

The world is shifting at an unprecedented pace. Change is around the corner, a new decade dawning. For SS21 we explore the profound transfigurations from one stage to the next. Metamorphosis or the art of transformation.

Celebrating progress and the beauty of manipulation, KOMONO proposes a radical renewal in eyewear and watches design.

KOMONO

The Metamorphosis SS21 Collection

THE MONO CLEAR

A daring iteration of the Mono watches. Technically superior.
