FW23 February Market
JEWELLERY COLLECTION

OB Signature

FALL/WINTER 2023

A sophisticated celebration of Olivia Burton's iconic motifs, this season's Signature range has four dynamic new styles.

Honeycomb is a contemporary new take on our iconic bee theme. Bold yet elegant, the collection features interlinked honeycomb chains and geometric hoops and rings for a subtle nod to the beehive.

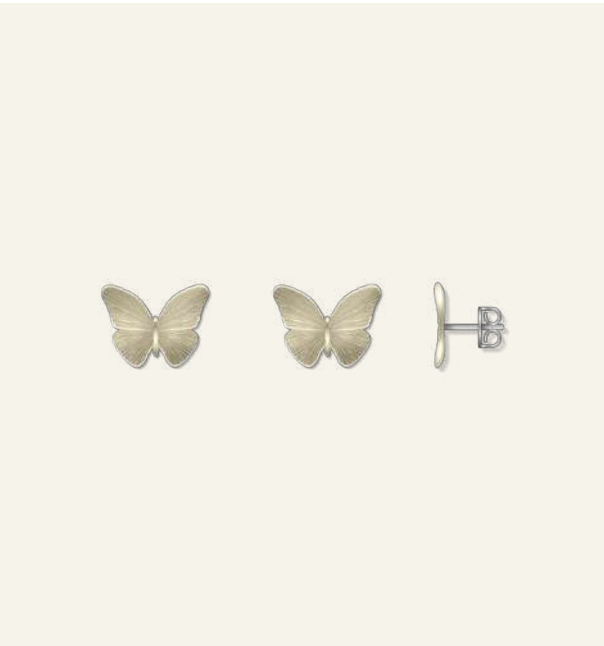

Simple and intricately detailed, the delicate new Signature Butterfly is an endless tribute to one of our favourite icons.

Striking and modern, our new Minima Bee adorns a geometric honeycomb on bead detail chains, chunky T-Bar bracelets and sleek hoops. It's the new way to wear everyone's favourite bee.

Finally, it wouldn't be the Signature collection without a tribute to the name we're so proud of. Playful and surprising, our Signature 'O' Collection is a celebration of our new look and infused with our eclectic British aesthetic.
